THE BIPF SCHOOL

#Brightfuturesstarthere

At The BIPF School (TBS), we believe in nurturing individual success. Our approach to education embraces innovation to cater the dynamic needs of 21st-century learners. Since our inception in April 2019, TBS has established itself as a premier co-educational CBSE English Medium School, known for its holistic and engaging education system.

Spread across over 5.14 acres, our campus features excellently planned infrastructure and state-of-the-art facilities. With advanced digital facilities like ERP systems, biometric access, CCTV surveillance, and a Wi-Fi-enabled environment, we've got everything your child needs to learn and grow.

Highlights include:

- An e-resource Library
- GPS-enabled transport services
- Specialized science and computer labs
- A fully equipped sick bay and an auditorium

At The BIPF School, we focus on all-round development. We offer a mix of great academic learning and important life skills. Our students enjoy a variety of sports like cricket, football, badminton, and yoga, as well as creative activities such as art, music, and dance. Public speaking and debate are also part of our program. We prioritize identifying and nurturing each student's interests; encourage every student to find what they love and support them in their passion. Our school with facilities for differently-abled children too, ensures education for all.

Join Us for the 2024-2025 Academic Year

We're excited to welcome students from Pre-School to Class X for the new academic year. This brochure is just a glimpse of what makes our school special. We invite you to visit us, meet our caring teachers, and see the lively and positive learning environment we offer.

Core Values

Compassion

Respectful, kind, and committed to working with peers and serving society.

Self-Belief

Believing in yourself.

Adaptability

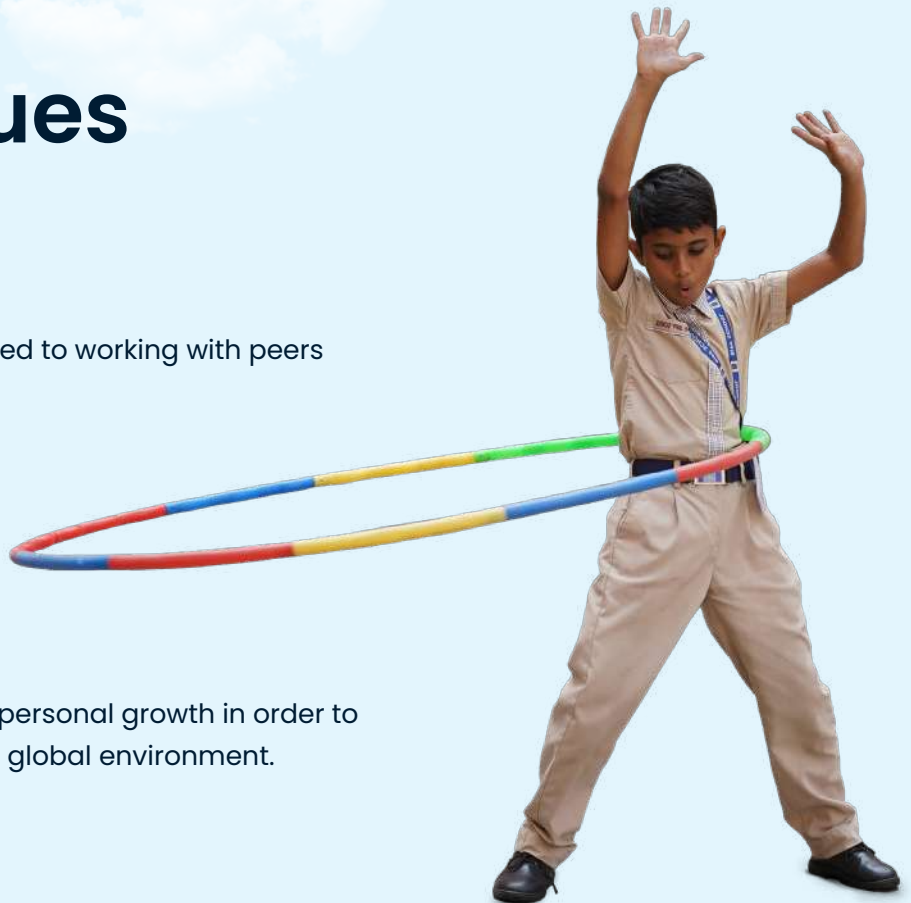

Ability to evolve and invest in personal growth in order to succeed in an ever-changing global environment.

Hard work

Putting in their best effort towards goals and persevering through obstacles.

Self-Reliance

Take responsibility and ownership of their own future.

Mission

To provide quality education in a caring environment with strong values while empowering our students with a firm foundation to succeed in their life.

Vision

To ignite deep awareness in every child to embrace their strengths and work to their potential.

Founder's Message

The BIPF School (TBS) is an academic institution with a difference for the students of Choudwar and its adjacent areas. We ensure a balanced curriculum with experiential learning and subject integrated activities, in a caring environment with par-excellence facilities, where learning is joyful and children are groomed with a discipline to achieve their true potential.

Aligned with National Educational Policy (NEP), we have introduced the Pre-School I, II & III, so that learning is fun and young learners are able to grow at their own pace. From interactive and technology aided classrooms to project-based learning, we strive to create an engaging and dynamic

educational experience. TBS follows a unique assessment system to evaluate the concept, preparing students over a strong foundation for a bright future with endless possibilities.

We recognize the importance of a strong partnership between school and home. Thus, promote robust engagement with parents, open communication, and collaboration to support the growth and development of our students.

While we are excited the first batch of TBS is gearing up towards their board exams; we are in-progress to have class XI and XII succession.

Ms Shaifalika Panda

Trustee & Founder CEO, BIPF

Principal's Message

A Journey of Growth

At The BIPF School, every day is an exciting journey of learning. We believe every student is special and deserves to achieve their best. Our school is a place where we encourage students to think, to be creative, and to grow in every way.

We are dedicated to providing top-notch education and all-round development. At the heart of our education are the values of respect, integrity, and resilience. We focus on character development, instilling in our students a sense of responsibility and leadership. This helps them become not just successful individuals, but also ethical, compassionate members of society.

Our school is a welcoming place for everyone. We create an inclusive

space where students from various backgrounds come together, sharing, and learning from each other. This diversity of experiences enhances our community and broadens perspectives.

We offer a broad and engaging curriculum that balances academics with hands-on learning. Our modern facilities support both mental well-being and physical growth. We believe in a well-rounded education, where students also find joy in sports, craft & arts, making friends, and working together.

At The BIPF School, we prepare our students to confidently face life's challenges and to be tomorrow's leaders. We invite you to be part of this enriching journey where we work together to make a positive impact in the world.

Parents' Corner

Bidyadhar Nayak

Father of Devi Prasad
Nayak, Class - VIII

My son has got a better platform in the teaching learning process at TBS. I am very much impressed with the curriculum and teaching methods which are unique; especially the planned worksheets, which makes our child to think beyond prescribed textbooks and helps to improve his inbuilt talent. The PTM meeting is always conducive & fruitful, and it is a very good forum to reflect upon the child's progress and areas of development.

To all the members of TBS family, your dedication, patience and commitment towards our child's improvement is really commendable. I take this privilege to congratulate the management of The BIPF School for its endless efforts.

I hereby express my appreciation for the efforts of the school in grooming my daughter's personality. I have observed significant growth in Shanaya over the past year, and I believe it is important to acknowledge the positive changes in her ability to express herself both verbally and in writing. She appears more confident when sharing her thoughts and ideas. She seems to be developing a strong sense of emotional intelligence by becoming more aware of her own emotions and is demonstrating empathy towards her peers. She shows resilience and a positive attitude and increased independence when it comes to managing her schoolwork and responsibilities.

She actively participates in group activities and projects, demonstrating an ability to collaborate effectively.

Ruchismita Behura

Mother of Shanaya
Biswal, Class II

Sagarika Jena

Mother of Ashutosh Jena,
Class UKG

TBS will always hold a very special place in our hearts! It was the perfect start for my child. When we approached the school during 2023, we were so anxious about the safety-security of my son as we are staying 20km away from the school in Sutahat, Cuttack. We noticed Admin and support staff have always been very caring and loving to students. TBS provides GPS enabled bus service, which helps me to trace my child's transport hours. The entire campus is under the CCTV vigilance which gives us more peace of mind. Ashutosh, leaves home with a big smile and comes back with a bigger one, that's the most satisfying feeling.

My heartiest thanks to the TBS team for all the efforts and hard work they are doing on a daily basis to provide a safe and secure environment, educate and bring up our children and help them become intelligent, compassionate, responsible and self-confident rising stars.

The BIPF School provides a student centric learning environment that balances academic excellence, extracurricular activities and a value based approach to character building.

Established in 2019, the school has gained recognition as one of the best co-ed CBSE English Medium Schools in the locality.

It delivers an enthralling education system and hallmarks quality academics in Cuttack District.
